## INGREDIENTS

**1 cup White Flour    1/2 cup Salt    1/2 cup Water**

optional: 1/2 tbsp of lemon juice (for a harder finish)

**1.** Mix the salt, flour, and water together in a bowl until a soft dough forms. Knead the dough on a floured surface until smooth and elastic. If dough is too wet, add some more flour.

**2.** Roll dough out to 1/4" thickness.

**3.** Gently press the back of the Gingerbread Man Virtual Race Medal into the dough. Once a clean impression is made take a sharp pointed knife and carefully cut around the outside border. Another option is to use a glass and cut a circle out of the dough. Then, gently press the medal to make the gingerbread man impression.

**4.** Take a skewer/stick and make a hole at the top of the ornament.

**5.** Bake at 150-200 degrees for 3 hours or microwave for 2 minutes.

**6.** Once dried, use acrylic paint to decorate. Spray with hairspray to preserve your ornament(s) once the paint is dry.

**7.** Add a ribbon and VOILA!
